

2024 YACS SCHOOL SKI DAY INFORMATION

January 10th, 2024

Greetings Snow Cruisers,

Ski season is here for YACS and we will soon be hitting the slopes! Here is the information you need for this year's ski program. The days scheduled for 2024 are as follows:

Thursday, January 25: Optional Ski Day*

Thursday, February 15: Optional Ski Day*

****Students participating are responsible for making up all missed school work.***

Thursday, February 29: All School Activity Day – SKIING/BOARDING or ROLLER SKATING!

The attached **forms must be completed and returned with your payment by the stated cutoff time for the day you wish to attend** White Pass to get everything arranged. If, after ordering, you or your child cannot make the trip, contact us as soon as possible. Late cancellations may not be eligible for a refund.

All participants are responsible for making sure they have a ride up to White Pass. Please contact the office if you cannot find a ride; we will help connect you with someone who has space. If you have extra room in your vehicle, please let us know!

To receive the discounted group rate, we must have at least 15 people purchasing a lift ticket. In case we do not reach the 15 people mark, we ask that you pay the amount in the highlighted column and the office will reimburse you the difference should we meet the discounted group number. *****NEW FOR 2024***** Each parent of a skier/boarder must create an account online at <https://estore.skiwhitepass.com/> linking your student to your account, and purchase an RFID card for \$5.

The costs of the program are on the next page.

Ski Day Rules: All beginning skiers and students in 4th grade and under are to be accompanied by an adult at all times while on the slopes. Intermediate and more advanced skiers up to grade 6 must have a responsible adult available at the facility. Limit of three students per adult. Here are some other things to consider:

1. All students are required to wear helmets. THIS IS NOT OPTIONAL
2. Students are not to be doing flips or any other imaginable inversions. We don't want to be visiting anyone in intensive care.
3. No throwing snowballs, ice, gloves, helmets, or other projectiles at other skiers or snowboarders.
4. Be on time for your lessons.
5. Everyone is to be at the cars ready to go home by 4:30 p.m. so we can return to the school by 5:30 p.m.
6. No skiing out of bounds.
7. No leaving your trash around, including candy wrappers and lunch leftovers on the premises.
8. Have fun and help others have fun! Don't take a beginner on black diamond trails. Crashing and burning down a hill for an hour can be a drag.

Instructions for students in 4th grade and below:

Young skiers often need assistance using the lifts. In addition, they often become cold and need to return to the lodge. To prevent and/or better treat injuries, an adult needs to remain with younger skiers at all times.

1. A parent or other responsible adult must accompany the student on the slope.
2. One adult may supervise three students at the same time.
3. This rule applies to all skiers whether or not they are students at YACS.

Please complete one form for each day, just make sure they are received by the office (with your full payment) by the stated cutoff time for the day you wish to attend.

2024 YACS White Pass Ski Days Ski/Snowboard Sign-Up Form and Permission Slip
Please use a separate form for each skier/boarder.

Name of Skier/Snowboarder: _____ YACS Student: Yes No

Please pay the regular price. If we have 15 participants you will be reimbursed the difference.
